

Blended Virtual Program Student Getting Started Guide

Welcome to your first day of school at BVP! [Log into ASSIST](#) to get started:

1. **Review your schedule**, you will attend Live Lessons in each course and one-on-one meetings with your Student Success Coordinator each week. Holidays and breaks are included in the schedule, according to the [BVP calendar](#).
2. **Complete online lessons and activities** during the school day when you aren't attending live sessions. Use activity due dates to guide your daily work. The school day is 8:40am – 3:20 pm for Middle School and 8:00am – 2:40pm for High School.
3. **Join live sessions a few minutes early**. A Zoom window will open, enter your name to get into class. Teachers will use this to take attendance.

The screenshot shows the ASSIST student dashboard. At the top, there are navigation tabs: Home, Learning, Schedule, Progress Tracking, and Resources. Below the navigation is a 'Home' header. A notification bar at the top right says 'You have a live session for Master - Math Seminar 7 - demo beginning at 11:00 AM' with a 'Join Class' button and a 'Dismiss' link. Below the notification are three progress cards: 'Learning Path Progress' (0% complete), 'Active Courses Progress' (3% complete), and 'Resources' (0 activities, 0 new). The 'My Classrooms' section shows four courses: English 7 Sem 1 (7.4% progress), ESMEC Middle School Health 7 (4.4% progress), English Seminar 7 (0% progress), and Math Seminar 7 (0% progress). Each course has a 'Launch Course' button and a 'Join Class' button. A callout box points to the 'Join Class' button for Math Seminar 7, stating '3. Join your live session here (this will open Zoom)'. Another callout box points to the 'Launch Course' button for English Seminar 7, stating '2. Work on your online course in between live sessions.' A third callout box points to the 'Upcoming Events' calendar, stating '1. View your weekly schedule of live sessions.' The 'Upcoming Events' calendar shows a weekly view for August 22-28, 2021, with events for Math 7 Sem 1 - demo, SSC + Middle School Student, ESMEC Middle School Health 7 - demo, English 7 Sem 1 - demo, MS Life Science Sem 1 - demo, Master - Math Seminar 7 - demo, and Master - English Seminar 7 - demo.
